

November - 2016

Greetings,

Can you believe that we are **CELEBRATING the 10th Year** of raising funds for clean water in Zambia? At this time of year, we hope you know we are so thankful for your commitment and faithfulness to this work.

You have walked with us to bring clean water to over 8,000 Zambians since our first Walk in 2008. This means young girls can go to school, children aren't dying of preventable diseases, and entire communities can focus on living their lives rather than surviving their lives.

As we begin planning the 2017 Walk4Water10, we hope that you'll consider being a Corporate Sponsor once again. The Walk will take place on **April 29, 2017 in Lake Oswego at Foothills Park, 9am.**

Your support for the Walk4Water10 means even greater donations to Zambia. This year, we are excited to announce that there will be a **3:1 match for all Corporate Sponsorships** received by the end of 2016! We have a national donor match, and a local donor match...making your donation go 3 times as far!

\$500 becomes \$1500, providing clean water for 30 villagers for life

\$1,000 becomes \$3,000, providing clean water for 60 villagers for life

\$5,000 becomes \$15,000, providing clean water for an entire village of 300 for life

Will you WALK WITH US, AGAIN? Will you help us bring clean water to Zambia? We hope you will say YES!

Please join us in 2017 as a Corporate Sponsor. Our Corporate Sponsor Commitment form is attached to this email. With your permission, we will use your logo and recognize your company through our posters, website and social media.

If you would like to donate in 2016, we would welcome your early commitment. If you need to wait until 2017, we will happily accept your donation in the new year.

Please return the Commitment Form with your check or credit card information to:
