

You are invited to assist us with a Camp Rainbow Supply Shower

Camp Rainbow is a week long summer camp for children with cancer and blood-related diseases. The camp is free for the child however is costly to provide. Riley's Army is sponsoring 15 children to Camp Rainbow this year (\$1,000 per child) and hoping to have our volunteers assist us with providing supplies for camp to offset some of the expenses for camp and allow more children the opportunity to attend.

Drop Off Locations at:

Any time before May 23rd at 692 Olive Fine Oils in Arlington Village

Any time before May 23rd at Riley's Army office- 1801 Charles Blvd Suite 107

Before May 23rd at Hometown Harley Davidson- 2300 Elaines Way, Winterville
