## Quantum Man

### Bobby Selvaggio - Quantum Man

#### Line-up:

*Bobby Selvaggio - alto & soprano sax, alto clarinet, voice box effects pedal and keyboard Theron Brown - piano, keyboards | Dustin May - drums | Dan Pappalardo - acoustic & electric bass | Jamey Haddad - percussion | Chelsea Selvaggio - voice | Chiara Stauffer 1st violin | Amber Dimoff 2nd violin | Andrea Belding - 1st viola | Christina Spackey 2nd viola | Trevor Kazarian - cello*

Bobby Selvaggio's newest recording "Quantum Man" contains some of his most interesting, adventurous playing and writing to date. This session captures Bobby's sound on the alto at its best and with the addition of strings and voice to the traditional quartet setting Bobby has created music that is colorful, very textural and above all, full of melody.
