

Don't forget to get your children's immunizations current for the upcoming school year!

Texas law requires school students to be immunized against certain vaccine-preventable diseases or have a valid exemption prior to the beginning of the school year. The Seton Kid's Care-a-Van is offering immunizations for children on Medicaid, Seton CHIPS and children who are uninsured. Please bring an updated shot record and any paperwork sent by the school concerning immunizations. Eligibility screening will be provided at your visit. If your child has insurance, please contact their primary care provider or your local pharmacy for immunizations.

Seton Kid's Care-a-Van will have immunization clinics on:

- July 13th, July 27th and Aug 10th from 2-6pm at Colt Elementary School
- July 20th and August 17th from 2-6pm at Marble Falls Elementary School
- July 29th, August 12th and August 19th from 1-4 pm at Burnet Elementary School

OR call for an appointment at one of these locations:
