

# MILITARY & VETERAN Suicide Awareness & Prevention Day

Coming together to support military, veteran,  
and family mental wellness

September 6, 2017  
..... 9 a.m. - 12 Noon .....

East Side of the California State Capitol  
1315 10th St, Sacramento, CA 95814

**Join us in raising awareness  
about suicide within the military  
and among veterans.**

Suicide is a serious and tragic public health problem that can be prevented through mental health and substance use awareness, services, and support. Suicide affects all Americans, but data show that active duty service members and veterans die by suicide at much higher rates than the civilian population.

All of us have a responsibility to support and help our military personnel, their families, and veterans for protecting and serving our country. We must speak up about mental health, wellness, and suicide prevention. Our voices are amplified when we speak up together. By hosting Military and Veteran Suicide Awareness and Prevention Day, we bring attention to a stigmatized topic, strengthen community, and energize efforts to save the lives of those who have courageously served our country and protected us.

## Isolation Kills and Community Heals

This is a free event! Prepare for outdoor seating,  
bring folding chairs and picnic seating.
