

Respected Advocacy.
Innovative Education.
Sound Science.

**FREE
TRAINING**

Join the Volunteer Monitoring **STREAM TEAM**

TRAINING DAY

Saturday, September 15, 2018

10:00am - 1:00pm

Tip of the Mitt Watershed Council
426 Bay Street, Downtown Petoskey

No experience necessary, but a passion for science, bugs, and water helpful.

FIELD WORK

September 15 - 30, 2018

All teams must complete their field collection between the September 15 and September 30. Watershed Council staff are available to join teams if needed.

INDOOR SORTING & IDENTIFICATION DAY

Saturday, October 13, 2018

12:00 Noon - 3:00pm

North Central Michigan College
1515 Howard Street, Petoskey

Meet in the Health Education & Science Center Building Room 335 to sort and identify aquatic macroinvertebrates.

Volunteer Monitors:

- ✓ EXPLORE local stream ecosystems.
- ✓ LEARN about aquatic macroinvertebrates
- ✓ EXAMINE collected samples under a microscope in the lab.
- ✓ MEET PEOPLE with common interests.
- ✓ HAVE FUN protecting our waters.
