

Instructions for Trunk-or-Treat that MUST be followed for safety:

Arrive at 5:30pm to decorate your car, eat pizza, and enjoy refreshments.

When you arrive, drive directly into the Kindergarten parking lot in the back of the school. We close the lot when it is full or it is 6:15, whichever comes first.

You will be directed into a spot when you pull into the parking lot. Maintain a low speed at all times as children will be in the parking lot. Go where directed. Please do not try to pick your own spot. If you like to park next to someone, meet them at the front of the school and pull in after each other. Please remember, you will have *an empty spot only on one side of your car*. Please plan your decorations accordingly. We cannot give you an empty spot of both sides of your car in order to fit everyone in the back.

The first thing you want to do is pick up your pizza and hot chocolate, then decorate your trunks with your children's help. You are responsible for your children. The playground will be closed.

Please know where your children are throughout the evening and NO Alcohol!

The lot will close at 6:15pm.

Cones come out at **6:15pm** and the **entrance needs to be blocked**. Sorry, latecomers, you must park out front. But don't worry; latecomers are welcome to participate with the treating just not the 'trunking'!

Plan to Stay

If you need to leave before 7:30pm, please do not park in the lot. For the safety of everyone, we cannot allow cars to exit before the allotted time or before all people have returned to their cars.

The Trunking will begin at 6:30pm sharp and end at 7:15pm. PLEASE DO NOT START BEFORE 6:30pm to make it fair to everyone. Guide your children around the lot one time, trunk to trunk. If only one parent is coming, talk to your friends to have older kids like the 8th graders walk around with the younger kids so you can attend to your trunk.

Dismissal Starts at 7:30pm.

At 7:15pm we ask you clean up your area and load your car. When you are packed and ready, get in your car and turn your headlights on so we know you are ready. We need everyone in his or her car quickly. Our parking safety team will take it from there, row by row and one at a time dismissing the cars.

Please do not hang out in the parking lot when the event ends. Take the party back to your home!

Please know where your children are throughout the evening and NO Alcohol!
