Logan Carpenter
Livingston Police
Department

Good training. I was impressed overall.

JD Wright
Kane County
Sheriffs Office (UT)

Great conference and I will definitely be back until I have exhausted the list of classes that interest me. As a member of a part-time team I cannot express how valuable this conference is. I can learn lessons from people who have more experience and have made, and corrected, the mistakes we would likely make in a similar situation.

Tim Koznek
San Luis Obispo PD
(CA)

You guys did a good job for the first one. Please keep it up and grow it!

Dan Bartlett
Cottonwood Heights
Police (UT)

Thanks for all the effort from vendors, instructors and all individuals who made TacOps 2015 possible

Jose Ayala NIH

Great training opportunities for the price. What you spend on one person to take one class or less lethal options you can send them here and get multiple classes.

Scott Sharp
Huntersville Police
Department

Joe Okies
Berkeley PD (CA)
