

PORTFOLIO MANAGER BIO

Philip Petursson, CIM
Chief Investment Strategist
Manulife Investments

As Chief Investment Strategist, Philip has a range of investment strategy responsibilities from market and economic analysis to investor education.

He analyzes and interprets the economy and markets on behalf of Manulife Investments' clients and works with the portfolio management teams to provide clients and investment intermediaries with guidance and commentary on strategies, asset allocation weightings, as well as specific portfolio recommendations. His expertise spans across multiple asset classes and geographic regions.

Philip joined Manulife in 1999 and regularly contributes to Manulife Investments publications. He is frequently quoted in the press, has appeared on BNN and is a sought-after speaker at industry conferences.
