

# Mrs. Urkevic's Science Club

## Grades 3-5

The first of three Science Clubs in the school year 2017-2018! Mechanical engineering involves the design of anything with moving parts. In this class, students will think like mechanical engineers—and use their understanding of air as wind—to design and create wind-powered machines. Class size will be limited!

When: 7 Wednesdays OR 7 Thursdays

WEDNESDAYS, Oct. 18, 25, Nov. 1, 8, 15, 29, Dec. 6

THURSDAYS, Oct. 19, 26, Nov. 2, 9, 16, 30, Dec. 7

Time: Right After School-4:30

Where: Mrs. Urkevic's Classroom

Cost: \$70.00

\*Registration and check due Friday, 10/13. Please make check payable to **Kathy Urkevic**.
