

Conservative Action Project

The Conservative Action Project (CAP), founded in 2008 by many conservative leaders with former **Attorney General Edwin Meese III** serving as the Founding Chairman. CAP is currently chaired by **The Honorable Becky Norton Dunlop** and is designed to facilitate conservative leaders working together on behalf of common goals. Participants include the CEOs of over 100 organizations representing all major elements of the conservative movement-economic, social and national security.

Memo for the Movement

Thank You, President Trump, for Nominating Judge Neil M. Gorsuch

February 6, 2017
Washington, DC

President Trump has nominated Judge Neil M. Gorsuch to fill Justice Scalia's seat on the Supreme Court. He is an exceptionally qualified individual who has a record of applying the Constitution as the Framers meant it to be.

President Trump went further than any presidential candidate in history by sharing his list of potential Supreme Court nominees with the American people. Exit polls showed that the Supreme Court was the top issue for one in five voters, and 57% of that group voted for President Trump.

**Judge Gorsuch is exceptionally qualified.
Judge Gorsuch is fair and independent.
Judge Gorsuch is a hard-working man of integrity.
Judge Gorsuch deserves an up or down vote.**

The American people have spoken. Now it is time for the Senate to give Judge Gorsuch a full and fair hearing and to confirm him so that the Court is at full capacity.
