TEA Mixer and Open House

Thursday, August 30th, 6-9pm

Hotopp Associates

8211 Aurora Ave N Suite 101
Seattle, WA 98103

The Business of Creativity

With offices in Seattle, New York, Orlando, and San Diego, Hotopp Associates leadership will talk about transforming a creative studio into a business and how building a culture-centric organization has helped the multi-faceted design firm establish itself across multiple industries.

Join TEA members and other themed entertainment professionals for a tour, hosted food and drinks, and great conversation.
