TEA Divisional Board Member Profile

The ideal candidate shall meet the following qualifications:

- Is a member or their company is a member of the TEA in good standing
- Is an established or emerging thought leader in the themed entertainment industry
- Is in a leadership position with his/her company
- Has direct access to funding and/or resources to support their board commitment as well as sponsorship or travel for other events and initiatives
- Has company support for TEA Division Board commitment with the following requirements
 - Can commit to participating on 8-10 Board conference calls each year
 - Can commit to organize and/or participate on the team for one Divisional event during their term
 - Attends (in person) at least one high-profile TEA event – a SATE (North America, Europe, Asia), the TEA Summit and/or The Thea Awards Gala.
 - Attends Divisional events and NextGen events as possible
- Represents unique connections to other aspects of the industry (other industry associations, etc.)
- Will effectively represent the Division

Associate Representatives will come from within this TEA Membership category and effectively represent a cross-section of Associate Members

TEA supports equal opportunities for all and aspires to create and maintain an overall environment, leadership included, that advances the ideals that diversity of people and thought best represent the Association and society.
