

# calling all JUNIOR SCIENTISTS!

## Discover, explore and report!

You are surrounded by living things – what can you discover about them? We want to see! Head outdoors to explore and discover anything that has a life cycle. Will you find a bug, a plant, a land animal, a river? Collect your data and send it in, and we will display it in our “Explored & Discovered Exhibition” at the 2018 San Diego County Fair at the Del Mar Fair Grounds!

**Discoveries must be submitted by May 22, 2018**

**\$6 off Vouchers to The San Diego County Fair at The Del Mar Fair Grounds will be given to The first 200 discovery submissions!**

### guidelines:

All students ages 4 – 14 are welcome!

The data you submit can include journal entries, drawings, photos, or even the specimen itself (no live animals will be accepted).

Please include your Name, Age, Grade, School and contact information.

Drop off available on Saturday May 19th at Art FORM. 3316 Adams Avenue, Suite B, San Diego, CA 92116 from 10am-2pm.

Please send submissions to:  
League of Extraordinary Scientists  
3245 University Ave, Ste. 1 #489  
San Diego, CA 92104.

Science-ing Kids

June 1 - July 4, 2018

**Explored & Discovered  
Exhibition**

San Diego County Fair at the Del Mar Fair Grounds

All submissions will become property of The League of Extraordinary Scientists & Engineers to share with other students.
