

Martin Luther King Jr. Day

Morning of Service at Tikvat Israel

Join with members of Tikvat Israel Congregation and the Twinbrook Baptist Church on Monday, January 16, 2017, at Tikvat Israel from 10:30 am to 12:00 noon for A Morning of Service.

Synagogue and Church Members will work together to assemble personal hygiene supplies, make sandwiches, and prepare lasagna dinners for those in need in our community. Participants will break bread together for a light lunch of soup, bread and dessert.

We seek participants to join us that morning for this meaningful project. We also are in need of monetary donations — in multiples of \$18 — that will be used exclusively to purchase supplies. Your contribution will be put to good use even if you cannot be present that day.
