Both Village preschools accept children ages 3 and 4. Three-hour morning and afternoon classes available, as well as all-day options. District Child Find Team provides assessments and arranges for services for children with special education needs.

We have a dedicated and caring staff with expertise in early childhood education, individual learning plans and a social-emotional development program: Dinosaur School.

Head Start and Colorado Preschool Program provide **funded preschool** for those who qualify.

Registration begins January 30, 2017
