

The Education for Ministry (EfM) program is a four-year study and group reflection process for the formation of Christian ministry through the development of knowledge, attitude, skill and identity as Christians. Published texts and essays provide the primary knowledge content. The first year centers on the Hebrew Scriptures (Old Testament). The second year offers a study of the New Testament. Year Three provides study of Christian (Church) history. Theology and ethics constitute study in the fourth year.

At Old Donation, the group is made up of members in all of the four years. This year's focus for our reflections on the readings will be through the lens of *Living Faithfully in Your World*.

The group is limited to 12 members and there are only a couple of spaces left. There is additional information on ODEC's website under Learn & Serve, or visit <http://efm.sewanee.edu/>.
