

TRIC Grants - Workshop Series Spring 2017

Translating Research into Care (TRIC) grants are now available to NSHA and IWK scientific investigators and health centre administrators across NSHA and IWK. TRIC grants support research that will provide evidence and facilitate the translation of clinical science into improved healthcare policy, service delivery and patient care.

Application deadlines are May 1 and Nov 1 annually.

Please check either the NSHA or IWK websites for updated application forms and information about the TRIC program:

NSHA: <http://www.cdha.nshealth.ca/discovery-innovation/qeii-fdn-tric-grants>;

IWK: <http://www.iwk.nshealth.ca/research/translating-research-care-tric-healthcare-improvement-research-program%20>

To register for a workshop or to join a workshop remotely via Lync, email Elaine.Strohm@nshealth.ca.
If you have questions about the program or your grant, or if you want to have your grant pre-reviewed, contact Sandra.Crowell@nshealth.ca

Wed, March 1, 9:00-10:00 AM TRIC Program and Implementation Science Overview
