Packing Days 9am - 4pm
3rd Thursday of month

The 3rd Thursday of the month is dedicated to receiving, packing and sorting donations at the W/NP Wisconsin Warehouse. All are welcome to stop out, pack a box, stay awhile or simply take in the process of shipping from Wisconsin to Nicaragua! Help with snacks & refreshments is always welcome and appreciated.

Throughout the year, volunteers are on the look-out for resources (*in good condition of course*) that can be shared with our counterparts in Nicaragua that help support a variety of projects. (*examples: educational supplies, sewing machines and supplies, sports equipment, furniture bookshelves, chairs, desks, tables and **firefighting gear**.*) The objective is to help improve quality of life, vocational options, income, self-sufficiency and empowerment for people living throughout Nicaragua. Residing in a developing country, resources can be scarce, so with the cooperation of many people it is possible to share what we have with those most in need.

Thank you for thinking carefully about what is donated, see page 2 for ideas.
Your help is greatly appreciated by many!!

REDUCE – REUSE- RECYCLE

As you come across items no longer being used and **are still in good condition**, please consider our counterparts in Nicaragua that could put your items to good use.

Wisconsin/Nicaragua Partners of the Americas (W/NP) has been actively implementing programs in Nicaragua for 50 years. W/NP brings together volunteers – citizens of both countries getting to know each other, working to find solutions to common problems, leveraging international and local resources, and providing technical training.

Will my donations get there? Absolutely, every box is labeled and has a specific destination. Our dedicated staff members in Managua provide regular shipping reports and comments from recipients such as the one below:

Example: "Sonia is the leader of the Learning Center (LC) Saint Vincent de Paul from Managua. She received paint, 3 boxes of sewing supplies and a table. With the sewing materials she is making shorts, ladies blouses and bags. These products are sold in her neighborhood and the funds raised are to be invested in the purchase of new materials and supplies for the LC so they can continue working and being sustainable. The paint was used to paint the LC building to have a good image. The reason that made her be part of the LC's of WNP was to learn different skills and multiply them in her community to help other women. She has had the opportunity to receive three different courses and feels so happy of the fact she is 61 and continues to learn. Thanks to WNP for the supplies donated, greatly appreciate it!" - Mirna, Managua Office, Nicaragua
