"I am grateful to God for the workshops that we are receiving at Wisconsin office in Managua. I am the coordinator of a Learning Center where we provide jewelry, piano, guitar, flute and sewing lessons for children, men and women. All of this has been possible thanks to the project that we have been developing for ten years.

We have a group of volunteers and our purpose is to help and support vulnerable sectors in our society."

Hilvia Aguilar/Carolina Learning Center

Doña Angelica, still going strong after starting the 1st Learning Center in Los Cedros in 1981. The W/NP van provided transportation for the library kids to take a field trip to the Sherin Bowen Library, W/NP office in Managua. (*for many of the kids, this was their first time out of the community*) Teacher Karla, from the Gloria Chavarria Learning Center, taught a cooking lesson on how to make Plantain Lasagna! A fun day for all, thank you for helping to make this possible.

WORKING TOGETHER, WE MAKE A DIFFERENCE!

W/NP volunteers around Wisconsin are making a difference! The special hand made quiltlets and carefully filled backpacks are very much appreciated.

A fun time to share experiences and learn about the many activities taking place between WI and Nicaragua!

While both Wisconsin and Nicaragua were participating in the Bike/Hike event during the month of October, Nicaragua clearly took the lead, way to go!!
