

Greetings From The Guild Family in Tanzania

Greetings from Tanzania! We so appreciated receiving all of the Christmas cards from folks at Northlake again this year! Thank you for your ministry to supporting missionaries, including us!

We wanted to send you an updated family picture along with some prayer requests. Thank you for sharing this with the others at Northlake.

Blessings in the 2018!

For the Guild family,

Susan

- ~ Pray for existing churches to plant new churches in new villages & for existing churches to grow in faith and share their faith.**
- ~ Pray for faithful servant leaders, both elders & deacons, in existing churches to continue growing in knowledge of God's word.**
- ~ Pray for church leaders as they work with local government and community leaders to create a better society in the name of Jesus.**
- ~ Pray for the national church registration process, that relevant paperwork can be properly obtained and filed in a timely manner.**
- ~ Pray for our family and team as we will renew work and residence permits later this year.**
- ~ Pray for our mission team as we seek to maintain healthy relationships during times of transition and stress.**
- ~ Pray for a good harvest season, that the rains would continue, and many would recover from the previous years of bad harvests.**
- ~ Pray for future evangelism and leader training, where many will be called to and become disciples of Jesus.**
