2017-18 Theme: Know God

January Theme Verse:

January 10, 2018

But the Helper, the Holy Spirit, whom the Father will send in my name, he will teach you all things and bring to your remembrance all that I have said to you. –John 14:26

## Devotional

The disciples of Jesus were devastated at the prospect of His departure. For three years, Jesus was their constant companion and teacher. He had guided them into all truth. He had undeniably demonstrated that He was both truly God and truly man. In only 10 days, therefore, after the ascension of Jesus, God sent to all Believers the promised Holy Spirit, who kept the teachings of Jesus alive in His disciples' memory and provided the power and courage for them to share the Gospel with boldness. This same Holy Spirit, through the pens of numerous authors, wrote the Holy Scriptures, which are able to equip today's disciples of Jesus for "every good work" (II Timothy 3:17). God's greatest gift was His Son. We should also be eternally grateful for the gift of His wonderful Holy Spirit. Have you thanked Him recently for this Helper and Teacher?

Eternally His, Ed Hubbard, Business Manager

## Mr. Hearne's Recommended Resources:

The first two recommended resources come from a Focus on the Family podcast that I heard recently, "[Changing Your Relationships Through the Power of Kindness.](#)" I was struck by one of the opening statements made by the guest, Shaunti Feldhahn, regarding her research on kindness. She stated that kindness is often difficult to define because it is made up of three things: withholding negativity, finding things to praise, and doing something. Shaunti has written a book, [The Kindness Challenge](#) and has started "[The 30 Day Kindness Challenge](#)" on her website. As always the third resource is the [Axis Cultural Translator](#), to help you stay up-to-date on the ideas being presented in American culture.

January 25, 2018

6:00-7:15 PM

In N12

\*Open to ALL Redwood Christian families

### 3 major reasons you need to plan for college now

- ✓ The current cost of college is \$25k (public) and \$50k (private) per year, or \$100-200k for a degree!
- ✓ Free College money (\$2000, \$3000, \$4000+) is available every year for children 7-years old+ but you have to claim it each year!
- ✓ Heavily marketed 529 savings plans actually cause a major reduction in kids' financial aid qualification down the road...there are better options! (and more!)
