2017-18 Theme: Know God

August 23, 2017

August Theme Verse:

John 17:3

And this is eternal life, that they know you, the only true God, and Jesus Christ whom you have sent.

Devotional

John 17:3 is one of my favorite verses due to how it speaks to our relationship with God. The word 'know' in this case isn't simply an understanding or even a working knowledge. It speaks of a deeper relationship, a striving to understand. When I first started dating my wife, my desire was to get to know her on a deeper level. Our lives should have this desire and striving to know God, to truly deepen our relationship with Him. The way we do that is through spending time with Him in prayer and reading His Word. As I deepen my relationship with God, I find myself more prepared to navigate through potential issues and troubles that come. He is my Rock, my Protector, and my Comforter. As we continue to seek Him in all things, we will begin to know His attributes and characteristics and gain a further understanding of His unfailing love.

In Christ, Mr. Barnhart, Director of RCS Global

Mr. Hearne's Recommended Resources:

As we settle into the school year, it is important to establish a family routine to ensure that homework gets completed, extra-curricular activities are attended, time is spent together as a family, AND that students get enough sleep. The average teenager needs to get 9 hours of sleep a night, but electronic devices (as well as homework) often interferes. This is why a family routine is important. I recommend that families establish routines such as putting technology away 30 minutes before bedtime and that all electrical devices get charged in the kitchen (or any room other than the child's bedroom). Two of the resources below are about the importance of sleep and the third is the AXIS Cultural Translator to help keep you informed about what is happening in our culture.

Fabulous Five

Mrs. Bibby's 6th grade student, Arvin, made his own solar eclipse viewing box. See how he made it here!

Mrs. Seganish's Chemistry students used heat to separate salt and sand plus used flame to see the effects of heat on various substances.

Miss Masin's Kindergarten class learned the PE pledge with Mrs. Moog. See them in action here.

Mrs. Benefiel's 2nd grade student, Daniel, shows us his graphic organizer he made during a Math lesson.

Miss Orluck's 1st grade class got to interact with a dog in training from Guide Dogs for the Blind. Read the article here.
