Devotional Thought:

"I love" in the English language is such an overused term because the meaning of the word love is often trivialized. If we love something in life, what we really mean is that it brings me such great pleasure because the inanimate object cannot reciprocate love to us. However, the God of the universe Who is the Giver of all life, physically and spiritually, is Someone Who has demonstrated His love to us through Christ Jesus, and our response needs to be appropriate to the holiness and righteousness of God's character. He commands us to love our fellow human beings and to keep His commandments. If we love the living God and Savior, we will reciprocate His love by loving others in our thoughts, actions and deeds. Pray that the Holy Spirit would help you to do no wrong to your family, neighbors or your spiritual family in Christ.

In Christ, Albert Castaneda, MSHS Assistant Principal & Director of AAP
