Devotional Thought:

Christian Education is so critical to the renewal of a child's mind. Notice the Scriptures say that when we are transformed by the renewal of our minds, we will then be able to discern God's will. A non-Christian education cannot provide this knowledge because the basis of all truth and all knowledge comes directly from God and His Word. Without a Christian education, the foundations of understanding, a transformed mind, and a growing discernment of God's will are hindered. We give thanks to our mighty God for allowing Redwood Christian Schools to continue the mission of transforming minds to Scriptural truths and preparing students for life now and everlasting.

In Christ, Mr. Russell, Director of Instructional Development

4. Miss Masin reports “At Bible, kindergartners were introduced to Venndiagrams by comparing two babies we have been studying: Moses and Jesus. Students were able to compare and contrast the two babies in ways that surprised and delighted the teacher!”

5. Mrs. Clausen reports “My AP Calculus students remind me weekly of God's beauty in math. This week we've been studying the 2nd Fundamental Theorem, but Peter (WaiKit) Chu was not satisfied with the idea. So, he spent two days on the whiteboard proving to himself why this theorem works. Peter blessed the 3rd period class with his curiosity and I was beautifully reminded of the reliability of math.” [Click Here](#)

The Lord's Prayer

"9 Pray then like this:

"Our Father
in heaven,
hallowed be your
name.

10 Your kingdom
come,

your will be done,
on earth
as it is in heaven.

11 Give us this day our
daily bread,

12 and forgive us our
debts,
as we also have
forgiven our debtors.

13 And lead us not into
temptation,
but deliver us from
evil."
