2017-18 Theme: Know God

January Theme Verse:

January 24, 2018

But the Helper, the Holy Spirit, whom the Father will send in my name, he will teach you all things and bring to your remembrance all that I have said to you. –John 14:26

Devotional

I think I often take for granted what an amazing gift we have in the Holy Spirit. Because of Jesus, the Spirit of God can dwell within us. That's crazy to think about. God's Spirit within us. And Jesus calls the Holy Spirit our Helper, our Teacher and our Reminder of Truth. What an incredible and loving gift. Helper might be my favorite description. Maybe because life is hard. Maybe because we are selfish beings. Or maybe because I long to live for the Lord and knowing the Holy Spirit will help me feel a little less overwhelming! God sent His Spirit, our Helper, to dwell within us, to teach us all things and to remind us of His truth. What an amazing gift. Are we listening for His leading? Are we leaning on our Helper to guide us and teach us all things?

In Christ, Erin McGrath, MSHS Assistant Principal

Mr. Hearne's Recommended Resources:

Colossians 4:6 is one of my favorite Bible verses, "Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person." I try to often remind myself of this verse in conjunction with Colossians 3:21, "Fathers, do not provoke your children, lest they become discouraged." My first recommended resource is, ["What To Do When Your Kid Pushes Your Button"](#) from GratefulParent.com. My second recommended resource is, ["30 Joyful Ways To Connect With Your Child"](#) from OneTimeThrough.com. As always the third is the [Axis Cultural Translator](#).

Fabulous Learning

2/3rd Molecules Matter! My class learned about matter, atoms, and molecules. We built molecules out of Legos, and wiggled around outside to show what heat does to molecules. - Miss Perry

4th Grade on a Mission! We continued to write informative, one-chunk paragraphs for our Missions Project. - Mr. Voogd

Explore MS Science! All science students are in the home stretch and working hard on their Science Fair projects for Explore RCS. - Mr. Wilcox

Decision Training! My Algebra 1 students are creating a budget for their chosen real life situation after college. It has been fun to see them have to critically think about what they can afford as well as be respectful to the others in their group as they make decisions. - Miss Humphreys

For the Love of Creation. Bible students did presentations on parts of the human body, discussing whether Intelligent Design or Evolution seemed a better explanation to them. - Mr. Summers

COLLEGE FINANCIAL PLANNING NIGHT

(for Elementary Kids!)*

January 25, 2018

6:00-7:15 PM

In N12

*Open to ALL Redwood Christian families

3 major reasons you need to plan for college now

- ✓ The current cost of college is \$25k (public) and \$50k (private) per year, or \$100-200k for a degree!
- ✓ Free College money (\$2000, \$3000, \$4000+) is available every year for children 7-years old+ but you have to claim it each year!
- ✓ Heavily marketed 529 savings plans actually cause a major reduction in kids' financial aid qualification down the road...there are better options!

(and more!)
