

Eagle Update

2017-18 Theme: Know God

April Theme Verse:

April 25, 2018

But for this purpose I have raised you up, to show you my power,
so that my name may be proclaimed in all the earth. –Exodus 9:16 ESV

Devotional

There was a popular song in the 1990's from the Prince of Egypt with the line, "Miracles happen if you believe." I cringe every time I hear this song because of it's post-modern thinking (my belief creates) and denial of the truth of the Bible. Exodus 9:16 is a declaration of God's power and existence, "But for this purpose I have raised you up, to show you my power, so that my name may be proclaimed in all the earth." The plagues of Egypt ultimately took place to show the existence of our all-powerful God. Miracles happen because of God's power, when God chooses to reach His divine hand down into human existence and act. The plagues of Egypt are God's miracles, showing His existence and His power so that everyone can say, "I know God just acted" when witnessing His mighty power.

In Christ,
Al Hearne II, M.Div, M. Ed.
Superintendent

Fabulous Learning

Science in action - Students observed a drought stopper system that was hidden inside a box; they could only see the results of the stopper. They then created models based on what they observed. After working together, they discovered a siphon system using tubes that was causing the specific process to take place. Mrs. Wilson [CLICK HERE](#)

This past week the ninth grade class read, studied, and discussed Daniel 3, and then rewrote it through the lens of a young Hebrew boy. In groups of three, they then wrote a past tense narrative and shared it with the class in character. Mr. Bassard [CLICK HERE](#)

For the last month my 3rd period 9th grade English class has learned John 3:16 in the Chinese language - Mandarin. Two international students in this class were the teachers (Xiang Yu (Robin) Gan and Yeuk Hei (Emily) Har) and would accept only the best from their classmates. This past Wednesday, in Chapel, the students got up and presented John 3:16 in English first and then in Mandarin - totally memorized. It was wonderful, and the joy on both of the faces of Robin and Emily, the teachers, was truly a blessing to see as well! Mrs. Magee [CLICK HERE](#)

Our solar system proved be huge this week! After the 3rd grade class came to present their planet projects (last week), TK students worked hard at coloring, cutting and gluing all the pieces of the solar system into a crown. When we finished, our solar system crowns had turned into necklaces. Mrs. Conley [CLICK HERE](#)

Elementary K-5th students continue to work through the Terra Nova Testing. Mrs. Haserot reports her class shows a #growthmindset and is inspired by her students' grit and hard work. Mrs. Benefiel enjoyed reviewing in the beautiful outdoor weather. Miss Orluck reports that students are recalling and applying what they have learned throughout the school year. Miss Masin reports that the focus shown by her Kindergarten students is amazing and humbling considering how much they have grown this year! [CLICK HERE](#)

Last Chance To Vote For RCS!

Deadline is April 30th

Click here to Vote

Thank you for voting RCS elementary, middle school AND high school as the BEST private schools in the East Bay Area! Help us earn a 4th gold medal by voting at www.bayareaparent.com by April 30th!

MSHS Parents:

The MSHS campus is in need of tissue. Please have your child bring a box to the MSHS office at your earliest convenience.

Thank you!
