2017-18 Theme: Know God

December Theme Verse:

December 6, 2017

And we know that the Son of God has come and has given us understanding, so that we may know Him who is true;
And we are in Him who is true, in His Son Jesus Christ. He is the true God and eternal life. 1 John 5:20

Devotional

Our verse for the month of December was specifically chosen to help us focus upon the fact that Jesus is the reason for the Christmas season. The Bible states in 1 John 5:20, "And we know that the Son of God has come and has given us understanding, so that we may know Him who is true; and we are in Him who is true, in His Son Jesus Christ. He is the true God and eternal life." Jesus has come, as a baby. He grew up, lived a sinless life, began His ministry, died on the cross, rose from the tomb, and then returned to heaven. Why? So that God's people would be restored to a right relationship with Him. The Christmas season is a celebration of the work that Jesus has done, so that we can approach the throne of grace and be forgiven of our sins. It is the ultimate reminder that at some point of time in the future all of God's children will be with Him in heaven. In Christ, Al Hearne II, Superintendent

Mr. Hearne's Recommended Resources:

Jesus is the reason for the Christmas Season!!! One of the presents that we as parents get is our kids home from school for two weeks!!! Let me encourage you to use this time wisely with your kids and to teach them about the gift of salvation that God has given to those who believe in Him. My first recommended resource is **"Five Things to Teach Your Children This Christmas."** The second one is **"12 Days of Fun (and Cheap!) Christmas Activities for Families."** The third, as always is the **"Axis Cultural Translator"**.

Fabulous Learning

5th Grade "Sets Sail" - Students prepared for a voyage as either a religious freedom colony, government colony, or private company colony. They have created names, designed flags, worked on map skills, and next week they will choose the cargo to bring along before the boat launches.

-Mrs. Wilson [CLICK HERE](#)

Food in Espanol: This week we learned about foods we eat for dinner and their food groups. Students made a "Mi Plato" (My Plate) with the different food groups and what they should eat for dinner in order to maintain their health. They had to share their meal plan with the class in complete sentences using vocabulary and correct verb conjugation.-Mrs. Phillips [CLICK HERE](#)

Mrs. Sommers' Miracle: Mrs. Sommers shared with her students how the balance activities they were doing in PE were similar to ones that helped her brain and body heal after her long time in bed recovering from surgery. This was a great lesson for them to see how what we do in PE can transfer to real life situations and how important balance is for our bodies.

-Mrs. Moog [CLICK HERE](#)

Dora the Explorer in High School Spanish: It was amazing to see the creativity used in creating a video with Dora the Explorer as a theme in giving driving directions in Spanish. Students used related vocabulary and informal command conjugations as well.-Mrs. Sanchez [CLICK HERE](#)

2nd Grade Field Trip Recap: Second Grade students took a field trip to Guide Dogs for the Blind in San Rafael. It was amazing to see how God has created certain dogs to help those who are blind.-Mrs. Haserot [CLICK HERE](#)
