

# **EARN A FREE TRAINING!**

## **Introducing the Child Care Council of Westchester**

### **LOYALTY PUNCH CARD**

*In appreciation for all of the early care and education professionals that attend our trainings, we are now offering the "Council Loyalty Punch Card"!*

#### **Here is how it works:**

1. When you attend one CCCW training, you will receive your card, with your first "punch".
2. Make sure to bring your card with you for each future training, and ask for your next "punch".
3. When you have attended 5 trainings, your 6th training will be FREE!
4. To receive your FREE training, you can either mail in your completed card with a registration form or fax in your registration for with a copy of your completed loyalty card. You MUST bring the actual completed card with you to the FREE training to receive your training certificate.
5. You will then be eligible to receive a new card to begin again. It's that easy!
