

## **Immigration 101**

**2 Sundays, August 19 at 9:00 am and August 26 at 11:45 am in the Bloom Room [Note: The same class is being offered on two different dates and at two different times to make it available to everyone who wishes to attend]**

Immigration is in the news and on our streets every day. But what is fact, and what is fake news? This class will explain the structure and vocabulary of immigration law so that we can make sense of what's happening, have informed conversations, and, if we choose, make informed decisions about targeted activism.
