What is Poz Café?

Tucson Interfaith HIV/AIDS Network (TIHAN) organizes the monthly Poz Café luncheon. It's an opportunity for those living with HIV to get out of the house, take a break, meet other positive people, and enjoy a meal prepared by local congregations.

Tucson Interfaith HIV/AIDS Network
Helping People with HIV to Live Well

It's our congregation's turn to provide a fantastic, nutritious lunch for 130-180 people living with HIV and their guests. This is followed by time to "hang out", chat, participate in bingo and a prize raffle, and receive CarePackages full of toiletries and other necessities.

As a co-sponsor of Poz Café for June 2018, the role of Grace St. Paul's Episcopal Church is to provide volunteers, help with the cost of the meal, and bring donations of toiletry items and bingo prizes. TIHAN staff will provide guidance, additional volunteer support, and a health department-certified kitchen supervisor.

All those attending Poz Café must honor the highest standard of confidentiality.
