

## **Ten Little Windows**

**Sunday, July 15 at 9:00 am in the Bloom Room**

Ever wondered about the ten small, square windows throughout our Sanctuary? Each has its own history and meaning, and together they are part of what makes our Sanctuary unique. Come to this class to learn about these "Ten Little Windows."

***Joyce Henderson**, a retired Visual Resources Curator from the UA, has studied classical and medieval art history. She received a Masters of Arts from Penn State. Over the last few years, she has become the major resource on the history of GSP's stained glass windows.*
