HSA Cleveland HS 6000 S Marginal Rd. Cleveland, OH, 44103 PN: 105-02-008	Rent/Breeze, Inc.	School bought building for \$2.8M in Nov. 30 2000. School assigned contract to Breeze in 12/1/2005 with \$2.3M left on mortgage. Breeze bought it for \$2.7M from School. According to the 2006 audit, the building and improvements as capital assets were worth \$3.5M. School made \$261,000 from the sale, and Breeze had to pay the remaining \$196,000 in a year. Note that this building purchase covers the HSA Cleveland MS building, as well. School paid approximately \$1.8M on its mortgage note from 2000-2005, then sold the property worth \$3.5M to Breeze for 2.7M, ultimately sustaining a loss of approximately \$1.4M in prior mortgage payments and \$3.1M in lost equity. The school has continued to pay rent in spite of this poor deal, amounting to \$2.8M for its half of the overall property. HSA Toledo 2600 W. Sylvania Ave. Toledo, OH 43613 PN: 1826155	Rent/OG-Ohio LLC	The school subleased the original property from Concept Schools, who in turn was leasing it from the property owner, Zaleski Sacor LLC for the 2004-2005, 2005-2006, and part of the 2006-2007 school years. Then, the School leased directly from Zaleski Sacor for the remainder of the 2006-2007 school year through the 2011-2012 school years. The School transitioned from a 9-12 to a K-12 school and moved into the Sylvania property for the 2012-2013 school year with a new lease subject to the New Plan Learning bond deal. OG-Ohio bought the Sylvania property for \$1.4 million on 9/9/2011. The School has already paid \$1.8M in rent to OG-Ohio from 2012-2015. This property is one of the four identified for renovation under the bond. The current lease extends through 2041.
