Hello Carroll Elementary Families!

We are excited to kick off the 2nd Annual Dragon Games!

We have partnered with Camp Gladiator to offer a **student friendly obstacle course**. Through these various fun physical challenges, students will build self-esteem, character, and team spirit.

The Camp Gladiator Adventure Run will consist of the following activities : balance beam, over/under, tire run, trampoline, bounce house. Each obstacle will have a volunteer present to ensure that each student can participate with safety and success. **Please note in order for your student to participate in the Dragon Games, parents/guardians must sign the Camp Gladiator waivers.**

Students will be collecting pledges toward the number of obstacles they will complete at the Dragon Games, 33 obstacles MAX. After the Pep Rally, students will receive their Registration Quick Guides with details on how to get started on their fundraising challenge.
