

## San Diego Professional Palliative Care Conference | Friday, June 23, 2017

### Palliative Care: A Cloak of Many Colors

Five Full Scholarships Provided by: **Karl Steinberg, MD** and

#### Purpose:

- To promote our commitment to palliative care programs and advance care planning in San Diego.
- To create partnerships between professionals and organizations in improving quality of life for individuals in the community with chronic and terminal illness.
- To encourage and reward academic excellence and interest in palliative care in higher education and the community.
- To provide a financial support mechanism for local students and professionals who are focusing their studies or career in palliative care and chronic disease management across the lifespan, social services, adult-gerontological nursing and medicine, spiritual services, psychology and pharmacy.

#### Eligibility:

- Disciplines: All may apply, including nursing, medicine, social services, spiritual care, pharmacy, psychology and gerontology.
- Classification: Undergraduate, Graduate & Medical Students, Medical Residents, other practicing professionals.

#### Application Requirements

1. The following information is required, please submit it as a word document or .pdf:
  - Name and contact information, employer or name of organizational affiliation, years of employment and experience in this field of practice.
  - Name of university, major/degree and year of graduation, clinical/community focus and interest.
  - Narrative statement that outlines: 1) your career goals and 2) your expectations of the conference and how your participation will benefit your role as a healthcare professional and the palliative care you provide in your community setting. (150 words or less)
  - Resume/CV in Word or PDF format.
  - If available (not required), a letter of recommendation and support from a supervisor, mentor, academic professor, or colleague.
2. By applying for this scholarship, the applicant is indicating that attending the conference at the usual registration rate would represent a financial hardship for him/her.
