

**Pay It Forward Community Service Club  
is collecting donations for Joshua's Gift program**

February 2nd-16th, our school will be collecting food items for Joshua's Gift. We have supported this program for several years now. The program provides backpacks over the weekend to help families that need food to provide meals for their children when not in school. These items go home in backpacks, so non-breakable containers and small sizes are necessary.

Below is a list of items that are needed:

instant grits  
instant oatmeal  
cereal (variety packs of small boxes)  
granola bars  
prepackaged little bags of goldfish/cookies/crackers/chips  
applesauce cups  
fruit cups  
jello and pudding snack cups  
raisin packs  
kid's soups  
Hormel Compleats  
spaghettios  
macaroni and cheese cups  
canned pasta sauce  
Knorr pasta sides  
boxed mac and cheese  
spaghetti noodles

WITH SINCERE THANKS!
