## Take the HQ Today! Get Started **Here** for Savings and a Better You!

HealthQuotient (HQ) is:

- **Online health assessment**—administered by WebMD
- **Great way** to improve your well-being and be your best
- **Quick**—15 minutes or less—even faster if you took the Blueprint for Wellness screening this year. (Blueprint for Wellness results upload automatically and securely into your HQ.)
- **Cost-saving**—avoid paying extra on your 2017 medical plan deductible (\$250 extra for individual deductible or \$500 extra for family deductible). Primary participant and covered spouse must *both* take the HQ by **September 30** to avoid higher family deductible
- **Confidential**—your church, conference, employer, insurer and HealthFlex cannot see your HQ information

*Participation in HealthFlex wellness programs is voluntary.*

**Deadline—September 30**
