

NORTH AMERICAN SCHOOL OF
PODOLOGY

Toe Nail Art (half day)

Love nail art and unsure of what is safe for toenails? Summer is almost over! Would you like to give your clients fun designs for all year round? Are you interested to learn about nail reconstruction? Then this is the class for you! You will learn best practices for toenails and fun nail designs specifically for the toes. The class will be taught by a leading industry expert.

Seminar Includes:

- **Launch of the revolutionary NANOFLEX product by Fuzion**

- Excellent product to build a prosthetic nail for damaged or missing toenails
- Uniquely formulated, easy to file or trim, high longevity,
- Contains highly efficacious “**nano silver**” particles which have known anti-bacterial properties
- Flexibility of the gel does not break or traumatize the nail plate
- Specifically built to enhance previously damaged toenails

- **Toenail art demonstrations**
- **Easy to do artwork**
- **Hands-on practice on each other (come with your polish off)**

“Educate-Differentiate-Elevate” - Enhance your techniques and increase your revenue
