Encouraging Potential, Navigating Success

SPONSORSHIP PACKAGES and DONATION REQUEST
Pointe Fore-ward Golf Tournament
Benefiting Lake Pointe Academy Scholarship Fund

Greetings from Lake Pointe Academy Families,

I'd like to begin by sharing with you the reason for our Annual Golf Tournament. The fact that 1 in 68 children are affected by Autism is astounding! Autism is a life-long developmental condition that affects using and understanding language, social skills, academics, and future employment opportunities. The good news is intensive intervention is shown to increase skill development and the potential for greater independence in 87% of children who receive it.

To address this issue the school began 6 years ago with a vision and 1 student. We have grown to over 25 students and a full staff in providing a highly specialized and therapeutic K-12 school program. Lake Pointe Academy is designed in such a way that these excellent teaching strategies can benefit ALL children yet not available in other schools. We have been blessed by the growth, but also, challenged with the costs involved in providing intensive instruction. We have had to turn away a number of students whose families are financially disadvantaged.

The beneficiaries of the previous Golf Tournament proceeds have received financial support in scholarship and reduced tuition. We are asking for your partnership for the tournament this year, and in the years to come. We are working hard to make a difference in these children's lives by preparing them for their future. **Please put us on your calendar for September 14, 2018.** Your support genuinely makes a difference for EVERY child who attends Lake Pointe Academy.

Enclosed is the Sponsorship packet for this year's Event. We ask that you would respond as quickly as possible. We are dedicated to a tournament that you will be proud to be a part of. Thank You in advance for supporting Lake Pointe Academy and the Mission to educate and help these children from this **"Pointe Forward"** making a difference for the rest of their lives.

Best Regards,

Lendel Flournoy, Golf Committee Chair, 2018
