Friends of Peralta Colleges, Yes on E & G

Wednesday, September 19, 2018 | Reception: 5:30 p.m. - 7:30 p.m.

Wendel, Rosen, Black & Dean
1111 Broadway, 24th Floor, Oakland

Our local Community Colleges – Oakland's Laney and Merritt Colleges, College of Alameda, and Berkeley City College – are an essential safety net for students who transfer to university or get specialized job training that prepares them for well-paying, 21st century careers.

Measure E saves students and their families thousands of dollars. As the cost of U.C. and Cal State tuition continues to rise, Measure E will maintain critical core academic programs, tutoring, and attract and retain high-quality faculty, without raising tax rates.

Measure G will provide critical technology updates to classrooms and training centers to prepare students to be competitive for today's jobs. Measure G will also replace aging, seismically unsafe buildings, provide better security/lighting and emergency communications systems, and repair/replace leaky roofs for a safer learning environment for students.

We hope you will join our effort to pass these transformative measures.
