

# St. Philip the Apostle *School*

*Est: 1927*

Annual Report 2014-2015

## **Mission Statement**

The mission of Saint Philip the Apostle School is to provide a child-centered learning environment in which the spiritual, intellectual, emotional and physical needs of each child are met.

As an essential component of the teaching ministry of Saint Philip the Apostle Parish, the school provides an exceptional education by integrating Catholic values with high academic standards and service to others.

The school embraces an appreciation of diversity and mutual respect and seeks to inspire each student to adopt his or her unique role as a child of God.

## **Our Philosophy**

Our philosophy of Catholic education is one dedicated to educating the whole person, emphasizing the dignity and spiritual development of each child. The total instructional program is intended to stimulate intellectual, religious, psychological, social and physical growth, thus enabling our students to become responsible Catholics.

## **Honor Code**

A St. Philip the Apostle School Student...

Is Respectful toward all others, the school environment, and all living things...  
Is Honest...  
Displays Christian attitudes of Kindness and Helpfulness, And  
Always keeps Christ as a role model for life.

The donations listed in this report reflect those received between July 1, 2014 – June 30, 2015.

On the cover: First grade students dressed as their favorite saint for All Saints Day Mass.

## Pastor's Message

At St. Philip the Apostle Parish, we are truly blessed to have so many committed parishioners who support our school. The mission of the church is to educate families, parents, and children alike and, from my first day in this parish, I have considered our school to be a pivotal ministry that evangelizes our children and—more importantly—their families.

This school year, we launched the Unity Sunday project through which students from designated classes and grades manage the liturgy at the 9:15 am Mass once a month. Not only has this

proven to be a wonderful experience for the children, but I believe it has brought us closer together as a community by sharing the Sunday celebration and making it the center of our life as a parish family. I hope you can occasionally experience a Unity Sunday Mass. The parish bulletin could be your guide.

My dream is for even stronger ties between our school and parish communities. With the continued enthusiasm and generous support of

so many, I believe that the future of our school is bright, and that the future of our entire parish community is even brighter. As the Pastor of such a large parish, I find joy in witnessing the cooperation and contributions of many members who join in a common effort. For the seventeen years I have served at St. Philip, your loyalty and support have inspired and sustained me, and produced amazing results for this thriving faith community.

May you grow in the love of Christ and of the church sustained by His riches.

*God bless you always,*  
Rev. Joseph Moniz

## Principal's Message

Over my thirty plus years in education I have seen trends come and go but today's emphasis on education's integration with technology is here to stay. Our students are going to be living and working in a world that will expect them to be able to critically look at information that comes to them in an instant and to be able to analyze it accurately, organize it usefully, and apply it effectively. Additionally, students must be able to work in an environment that will expect them to collaborate well with colleagues from around the world.

At St. Philip the Apostle School we have a strategic plan that assures our students are prepared for this exciting new world. Last year, we opened our Learning Commons and Primary

Learning Center. The Learning Commons is a state of the art space that allows students to use technology in their pursuit of higher learning. The Primary Learning Center is a dedicated space for Kindergarten, First, and Second grades that allows for individualized learning and small group teaching. Both spaces are beloved by our students as places that allow them to flourish in their educational journeys.

There are multiple other ways that we are preparing our students for their futures. We began this year to send our 8th graders on a Washington D.C. trip that puts them right in the middle of the government and immerses them in the workings of the city. They spent the week exploring the city with students from around the country. They experienced democracy in action in the halls of congress and parti-

pated in activities, discussions, and debates that reinforced their learning. The 2016 trip is already planned!

Our curriculum standards are rigorous, meant to challenge our students to think beyond the first level of knowledge. Our goal, to meet the needs of all learners is deeply ingrained into our school at every level. Our mission, to provide an exceptional education by integrating Catholic values with high academic standards and service to others is one that we live each day. Ultimately, we want our students to adopt their unique roles as children of God. Their search for purpose in the world and their place in it begins here at St. Philip the Apostle School.

*May God continue to bless us and to allow us to bless others,*  
Jennifer Ramirez

## School Board President's Message

The hundreds of names memorialized in this Annual Report are a testament to our community's commitment to investing in our children's education and Catholic faith formation. As stewards of that investment, it is the job of the School Board and the School Administration to ensure that St. Philip the Apostle School continues to make a high quality, faith-based education available to all parish families.

I am proud of work we have done, and continue to do. Some highlights from the 2014-2015 school year include:

- We approved the largest operating budget in our history, and did so without dramatically raising tuition.
- We worked hard to integrate

the school and the parish in a deeper and more meaningful way, strengthening the ties that bind us together as a single, vibrant Catholic faith community.

- We ushered in the final phase of the school's multi-year technology overhaul when we broke ground on the "Learning Commons," a state of the art education-research-technology center that now serves students in grades 3-8. As part of this project, we also renovated the existing school library and converted it into the Primary Learning Center, for students in grades K-2.
- We formed two new committees to oversee key components of the school's long-term sustainability plan. The new Building and Grounds Committee manages

capital expenditures related to the maintenance and upkeep of our campus, and the Advancement Committee is implementing a new development infrastructure that focuses on outreach to our alumni and past parents.

- We worked through the final program elements of the school's current five-year Strategic Plan, and began laying the groundwork for a new Strategic Plan that will guide St. Philip through 2021.

None of this would have been possible without your generous support, which has helped to make St. Philip the Apostle School the strong, nurturing academic and faith community it is today.

*With deep gratitude,*  
Ryan Knoll

## PTO Presidents' Message

As Co-Presidents of St. Philip's PTO, we are fortunate to see first hand the wonderful community that has been bestowed upon St. Philip the Apostle School and Church. The support of our parents, both past and present, parishioners, community businesses and leaders has been remarkable. On behalf of the PTO, we offer our sincere gratitude for your time and efforts.

Each year, the PTO is tasked with raising \$180,000 through various fundraising activities. These funds enable our faculty and staff to provide an excellent learning environment for our children that enriches their hearts, minds and souls.

One of the highlights from this year includes our first Jog-A-Thon at St. Philip, and the results were incredible. The event boasted 100% participation from the children, and we raised over \$20,000 in support. The Fall Festival, another fundraising highlight, brought in over \$80,000. Our Dinner, Dance & Auction proved to be our largest fundraiser of the year. Through your generous support of the auction, our school was able to raise over \$165,000 of which \$35,000 went directly to fund the AV Room in the new Learning Commons.

Thanks to all your efforts, we were able to meet and exceed our annual

fundraising goal. We thank you for your generosity and the countless hours volunteered by our parents to make each and every event a success at St. Philip the Apostle School. Our children are blessed to be surrounded by a community who believes in the gift of a Catholic education. On behalf of the PTO, thank you for your unwavering commitment to our children.

*Blessings to all,*  
Maite (Ramos) Ramirez '90  
and Lara Serventi

# Statement of Revenues, Expenses and Changes in Net Assets

for the year ended June 30, 2015
