# The *Blessed are the Children* campaign makes a Catholic education possible for everyone!

## **Mission Statement**

St. Philip the Apostle School is a Catholic parish community dedicated to teaching, inspiring, and nurturing children.

# About St. Philip the Apostle School

Founded in 1927, St. Philip the Apostle School celebrates 90 years of enriching the lives of boys and girls in our community through rigorous academic training and strong faith formation. St. Philip is one of the oldest and largest schools in the Archdiocese of Los Angeles. Its modern, urban campus is home to 535 students.

## **St. Philip the Apostle School's tradition of excellence**

St. Philip the Apostle School graduates matriculate to all of the area's outstanding Catholic high schools as well as many of the local prestigious private and public schools. While in high school, they establish themselves as campus and community leaders. Since 2010, *ten* St. Philip the Apostle graduates have been high school valedictorians and many more have distinguished themselves as student body presidents, athletic captains, drama leads, and valued members of their school's campus liturgy and community service programs.

The education that St. Philip the Apostle graduates receive serves them well beyond high school. In recent years, St. Philip the Apostle graduates:

- Attend leading colleges and universities including Notre Dame, Georgetown, Harvard, Stanford, MIT, USC, LMU, University of California (all campuses), University of Chicago, Air Force Academy, USD, Purdue, Duke, Tulane, Villanova and more
- Pursue advanced degrees in medicine, law, education and business
- Discern religious and lay vocations in service of their church, country, and local communities

## **Supports Every Student**

*Blessed are the Children* is an annual campaign that bridges the gap between tuition and the actual cost of a St. Philip education. Since its inception 25 years ago, *Blessed are the Children* has raised over \$3,700,000 for much needed support and tuition assistance.

## **Funds Go Back into the School**

Over the last 25 years, *Blessed are the Children* has allowed St. Philip to:

- Grant more than \$1,000,000 in tuition assistance for our community's most deserving children
- Install leading edge technology to enrich and complement classroom learning: Wireless network, iPads, Chromebooks, mobile computer labs, and smart boards
- Hire teachers for the school's art, science, music, Spanish, library and technology programs
- Provide a child psychologist, resource specialists for upper and lower grades and a health coordinator
- Fund co-curricular programs: academic decathlon, choir, drama, sports, speech & debate, etc.
- Open the new Learning Commons and Primary Learning Center, two state of the art facilities, for our students

Teaching, inspiring and nurturing God's children for 90 years

# Catholic Education is a Gift

## What is the True Cost of Catholic Education?

In the past, Catholic schools were staffed almost entirely by religious personnel, making tuition artificially low. Today, however, like most Catholic schools, St. Philip the Apostle School relies almost entirely on lay faculty and staff. The cost of benefits, salaries and expenses required to run the school far exceed tuition revenue.

**The reality is that tuition covers only 80% of the school's costs, and individual tuition falls \$1,300 short of the actual cost of educating a student at St. Philip the Apostle School for the 2017-2018 school year.**

## Why not just Raise Tuition?

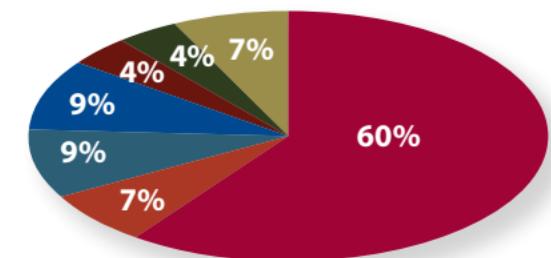

As a ministry of St. Philip the Apostle Parish, the school is committed to educating *all* students, regardless of family income. By keeping tuition affordable, we are able to fulfill our mission.

## Our goal: \$235,000 and 100% Participation

This year, our goal is \$235,000 and 100% participation. Please help us continue to serve all the children of our community.

## Strong Community Support

While almost 65% of the annual funds raised come from current families, we also benefit from a generous community.
