Learn. Serve. Lead. Succeed. Through Our Students

Where would we be without our outstanding students who help our school and community learn, serve, lead, and succeed?? On Thursday, February 1st we will be celebrating the great gift of our students and the hard work they put into their academic and spiritual growth by taking a trip to Roller Garden in St Louis Park and playing BINGO with our buddies. Students may bring their own roller skates or roller blades if they would like. Students may also bring money (bag labeled with their name for elementary students) for food and games at the rink. Bringing money is optional. The Roller Garden does not have items with peanuts/tree nuts in their concession stand. If you have a child with an allergy and you are concerned, talk with your child about some safe choices or let your child's teacher know. Lunch on this day will be brought from home and eaten in classrooms.

FRIDAY

February 2nd, 2018

Learn. Serve. Lead. Succeed. Through Our Vocations

Today we celebrate our teachers AND God's call in our life! We begin the day by having the special opportunity to hear from Brother Nick of the Capuchin Franciscan Province of St Joseph, who has heard and answered God's call to a holy vocation. He will speak to each grade level and specifically to the 2nd and 8th graders regarding their upcoming sacraments. In the afternoon, we will honor our teachers and help raise money for charities close to the OLG community's heart with our always exciting Catholic Schools Week Teacher Raffle! Students will have a chance to buy raffle tickets throughout the week to win special prizes and support the following charities: our sister parishes in Ghana and Honduras, the Myocarditis Foundation in honor of our friend Quinn Kirsch, and the OLG Student Fund. What a way to end an amazing and celebratory week of gratitude for our Catholic school!
