Business Vision Lunch Features Chairman & CEO of OneAccord

Liberty Road Foundation is honored to have Jeff Rogers, Chairman & CEO of OneAccord, as Keynote Speaker at its 8th Annual Business Vision Lunch.

Jeff is Chairman for OneAccord Partners & Capital, based in Kirkland with offices on the west coast. Jeff founded OneAccord after 20 years with The Southwestern Company. There, he was the only back-to-back Excellence Award winner for overall team performance in the company's 160-year history.

OneAccord Capital is focused on the acquisition of Northwest based privately held manufacturing & distribution companies. Working with a team of

values-aligned professionals, all based in the region, they are currently operating 2 companies with an eventual portfolio of 8 operating businesses.

In 2015, OneAccord added sell-side representation to their offering. The goal is to empower business owners who are ready to transition out of their business to meet their personal and financial goals. They handle the details from valuation to marketing, negotiations and due diligence all the way through any post-closing activities.

Jeff also founded KIROS which has chapters in Seattle, Bellevue & Tacoma - with thousands of business women & men attending in the marketplace. KIROS is an organization that equips Christian business people in making a deeper connection between faith and work. Their goal is transformation in our business communities. Join a monthly breakfast meeting, small group or other places of connection. Go to www.KIROS.org.

Amy & Jeff founded Doingood.org which incubated the John T. Miller school - the school was developed in '05 and now has hundreds of students receiving an education in the village of Wamala, Uganda. They have also led business start-up seminars to over 1500 entrepreneurs in the region.

Jeff & Amy have been married 30 years with 3 girls, Lauren, Addy, and Camryn.

Jeff also serves on the boards of Youth Transition Network, KIROS, C3 Leaders, & Doingood Foundation.

In the spirit of the topic “Life & Business Lessons Learned Through Racing,” Jeff has been racing for 7 years – first in a Porsche and now an open-wheel vintage Formula car.
