

Ohio Hearing Aid Assistance Program

The **Ohio Hearing Aid Assistance Program (OHAAP)** provides assistance to eligible families with children up to twenty-one years of age with permanent hearing impairments to purchase hearing aids.

Eligibility requirements include:

- Ohio residency for family and child
- Hearing loss diagnosis
- Family's income is at 200 % to 400% of the federal poverty guidelines based upon adjusted gross income or annual salary.
- Children enrolled or who can qualify for Medicaid or the Children with Medical Handicaps Program (BCMH) are not eligible for **OHAAP**
- Utilize OHAAP audiology provider

Families who apply for hearing aid assistance may be required to pay a co-payment based on a sliding scale fee schedule for audiological services. Current maximum co-pay is twenty dollars. Audiological services include evaluations, hearing aid selection, preparation, dispensing and orientation, fabricating ear molds; and, hearing aid adjustments made within the trial period. Families who qualify and are interested in the program must complete a Family Application Form.

Licensed audiologists and hearing aid dealers and fitters interested in serving as **OHAAP** providers must have a signed agreement in place with the Ohio Department of Health (ODH). Upon completion of agreement, **OHAAP** providers must complete and submit the provider form and the family application form from the family, the family income verification, audiogram and medical clearance for hearing aids to be reimbursed for services. Please see list of all of our current contracted providers.
