The special education system can seem challenging at times, but it doesn't have to be!

Join us for this workshop and learn:

- How to successfully work with your IEP team in developing goals and services that meet your child's specific special education needs
- How to use tools in the IEP process (evaluations, progress monitoring data, etc.) to clearly identify your child's needs and identify meaningful goals that impact your child's outcomes
- The role of additional tools, such as a Functional Behavior Assessment, Behavior Intervention Plan or an Independent Educational Evaluation
- How to effectively communicate your input and/or concerns to the IEP team
