MODERN PSYCHIATRY & WELLNESS LLC

Modern Psychiatry and Wellness LLC at the Genesis Center of Excellence is offering walk in appointments for those who wish to get started with addiction treatment. We provide treatment for most addictions including:

Heroin

Opioid Pain Pills

Alcohol

Cocaine

Meth

Stimulants

Marijuana

**WE OFFER OUTPATIENT DETOX
FOR OPIOID ADDICTION**

WHERE: 621 S. Erie Blvd Hamilton, OH 45011. Phone: 513-868-0055

WHO: Clients with no insurance or any form of Medicaid insurance.

Clients with private insurance or Medicare, please call 513-868-0055 to schedule an appointment.

WHEN: Monday – Thursday, 8 AM to 11 AM

WHAT TO BRING: Photo ID and proof of insurance.

ONGOING TREATMENT:

Intensive Outpatient Treatment (IOP)

Case Management

Individual Counseling

Medication Management

Genetic Testing for Best Medication Practices

WHAT TO EXPECT:

DAY 1: Arrive at the Genesis Center for a brief screening, if appropriate for treatment you will be referred for a two (2) hour intake interview. No Medications will be provided on the first day.

Meet with a case manager to coordinate Detox and treatment appointments.

DAY 2: Meet with the medical provider to assess substance use and detox options. Start detox process. Clients who use heroin or opioids need to be in withdrawal, 15 or more hours from last use.

You will meet daily with medical providers to monitor your comfortable transition through the detox process. We provide medication daily to assure safety and ease of withdrawal while allowing you to function and maintain your life

Treatment options for heroin and opioid addiction include support medications, Buprenorphine, Suboxone, Zubsolv, Naltrexone, and Vivitrol injection.
