

MASTER OF ARTS IN SOCIAL WORK

MASW | DEPARTMENT OF FAMILY SCIENCE AND SOCIAL WORK

PROGRAM OVERVIEW

- » Our MASW program will build your skills in Social Work Assessment and Intervention, broadening your employment opportunities in the social service field, including micro- (social service agencies, mental health, hospitals, and schools) and macro-level (government and non-profit agencies) practice.
- » Our field education program allows students to put theories and interventions learned in the classroom into practice.
- » Fully accredited by the Council on Social Work Education (CSWE).
- » Upon completing the MASW program, graduates will be eligible to become Licensed Social Workers (LSW) and work towards their Independent Licensure in Social Work (LISW).
- » For information about the Graduate Assistantships and scholarship opportunities, please contact MASW@MiamiOH.edu.
