HOUSE

Pathways to Employment is a unique program which prepares students with disabilities to transition from a school environment to independence. Currently, there are 2 Pathways programs: one on the **University of Cincinnati Blue Ash** campus and one on the **Scarlet Oaks** campus.

- ★ Community job experiences which focus on each student's interests and strengths
- ★ Variety of job experiences with job rotations throughout the school year (job coach provided)
- ★ Travel training based on student need
- ★ Independent skills: banking, budgeting, shopping, using everyday technology, and social skills training
- ★ Meal preparation: budgeting, planning, shopping, cooking, and cleaning up

Solving your challenges. Simplifying your life.
