There is no fee but we do need to know if you need electricity. We ask that you reserve your space in advance, have someone at your table the entire time of the festival and that you do not sell yard sale items. If you will be demonstrating a craft or art such as blacksmithing, glass blowing, or giving a presentation or you are representing a civic organization just sharing information please let us know. The application is below and must be received at the address below by September 25, 2018 to guarantee your space for the festival. Spaces are 10x10. You may reserve more than one space. If you are concerned about inclement weather please plan to bring a canopy for the event, we will not be able to provide canopies, tables or chairs, the event will take place rain or shine.
